Dear Mr. Trudeau:

Apparently we are almost planning to almost pull out of Iraq. Next adventure: Afghanistan. I look forward to your commentary on the wars.

In the meantime we have veterans who continue to need appropriate health care for their injuries (emotional and physical). Thank you for your ongoing support.

If you think it will help your message, please consider letting people know about Eric Newhouse's book, *Faces of Combat, PTSD and TBI*. Eric makes the case for our responsibilities to our military and suggests appropriate treatment methods.

Sincerely,

Thomas M. Blaschko
