Dear Mr. Trudeau:

The soldiers are back in your Doonesbury this week. Thank you.

I think it will help your message to let people know about Eric Newhouse's book, *Faces of Combat, PTSD and TBI*. Eric makes the case for our responsibilities to our military and suggests appropriate treatment methods. Next time you do this theme, could you put a copy of his book on the bookshelf in the background?

Sincerely,

Thomas M. Blaschko
